We may at times request the following types of personally identifiable information: name, address, e-mail address, telephone number, fax number, credit card information, and limited information about your interests in and use of various products and services. Whenever we request the identity of a visitor, we will clearly indicate the purpose of the inquiry before the information is requested.

We distribute e-mail only to persons or organizations who have explicitly requested it, or with which we have a pre-existing personal or business relationship that can be verified. We consider customer purchases and requests for information as valid connections for e-mail correspondence.

When you visit our website, we may also collect non-personally identifiable information such as the type of browser and computer operating system you use, and the domain name of your Internet service provider (ISP). We collect and use this non-personally identifiable information to learn more about our website's visitors in general, and how to supply more appropriate information to them.

We maintain a strict "No-Spam" policy. We do not sell, rent, or otherwise give your e-mail address to any third party organization. DataSetGo complies with the CAN-SPAM Federal Law - effective Jan 1, 2004.

If you purchase goods or services online from DataSetGo, we will request your name, e-mail address, mailing address and credit card information. This allows us to process and fulfill your order and to notify you of your order status. This information may also be used by us to notify you of related products and services. Credit card and e-mail information will never be shared or sold to third parties.

By using the website(s) of DataSetGo, you consent to the collection and use of information by us as specified above. If we decide to change our privacy policy, we will prominently post those changes on our website so that you are aware of the information we collect, how we use it, and under what circumstances we disclose it.
